

Disability Resource Center:

Services and accommodations are available to students covered under the Americans with Disabilities Act. Any student needing accommodations based on the impact of a permanent or temporary condition should contact the Disability Resource Center (DRC) to discuss specific needs. It is extremely important that you begin this process at the beginning of the term. Please do not wait until the exam. DRC accommodations cannot be retroactive.

Have a question? Or unsure if you will qualify for accommodations? Call us at [503-594-6357](tel:503-594-6357) or email us at drc@clackamas.edu.
